INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

TYPES of Calls

STATION-TO-STATION . . . . . Dial Direct

Call station-to-station if you will talk to anyone who answers. Rates are lower than person-to-person. Charging begins when the called telephone answers.

PERSON-TO-PERSON . . . . Dial Operator

Call person-to-person when you must talk with a particular person or extension telephone. Rates are higher than station-to-station. Charging begins when the called person or extension answers.

COLLECT . . . . . Dial Operator

Most calls can be made "collect" if the person you are calling agrees to pay the charge. If you want the call made collect, please be sure to tell the operator when you give her the call. The minimum rate for an intrastate collect call is 25¢.

CONFERENCE . . . . . Dial Operator

You can talk with several people in different places at the same time. If you wish to do this, tell the long distance operator you want to make a conference call.

When Placing Calls with the Operator

Please tell her:

1. Special instructions, if any (collect, person-to-person, credit card, etc.)
2. Name of the place you're calling and Area Code if it is different from the Area Code of the phone you're using.
3. Telephone number you're calling.
4. Your number, when operator requests it.

Direct Distance Dialing

For station-to-station calls from all phones except coin
(For other types of calls dial Operator.)

TO CALL WITHIN AREA 219 (OUTSIDE YOUR LOCAL TOLL-FREE AREA)

Dial 1, then dial the listed number.
Do *not* dial the Area Code.

		Access Code		Telephone Number
For example:	*dial*	1	*then*	555-2368

TO CALL OUTSIDE AREA 219

First dial 1, then the distant Area Code and Telephone Number.

		Access Code		Area Code		Telephone Number
For example:	*dial*	1	*then*	311	*then*	555-2368

GIVE OPERATOR YOUR NUMBER WHEN SHE ASKS FOR IT

When you dial a number that is outside your toll-free calling area, automatic equipment records everything about your call except your number. You'll hear an operator ask you for your number after you've dialed your call. She'll record it as the call is being completed.

TO OBTAIN THE DISTANT AREA CODE

A partial list of places you can dial direct and their Area Codes is shown on pages 5 - 6. If the called place is not listed, dial Operator and ask her if it can be dialed.

LONG DISTANCE INFORMATION (To Obtain the Telephone Number)

You can dial the Information Operator serving many distant places—those starred on pages 5-6—without charge.
First dial 1, then dial the Area Code (if it is different from the one for the telephone you are using) then 555-1212. When the Information Operator answers, first give her the city or town, then the name and address you are calling.

If the place you are calling is not starred, dial Operator and ask for Information in the distant city.

IF YOU REACH A WRONG NUMBER

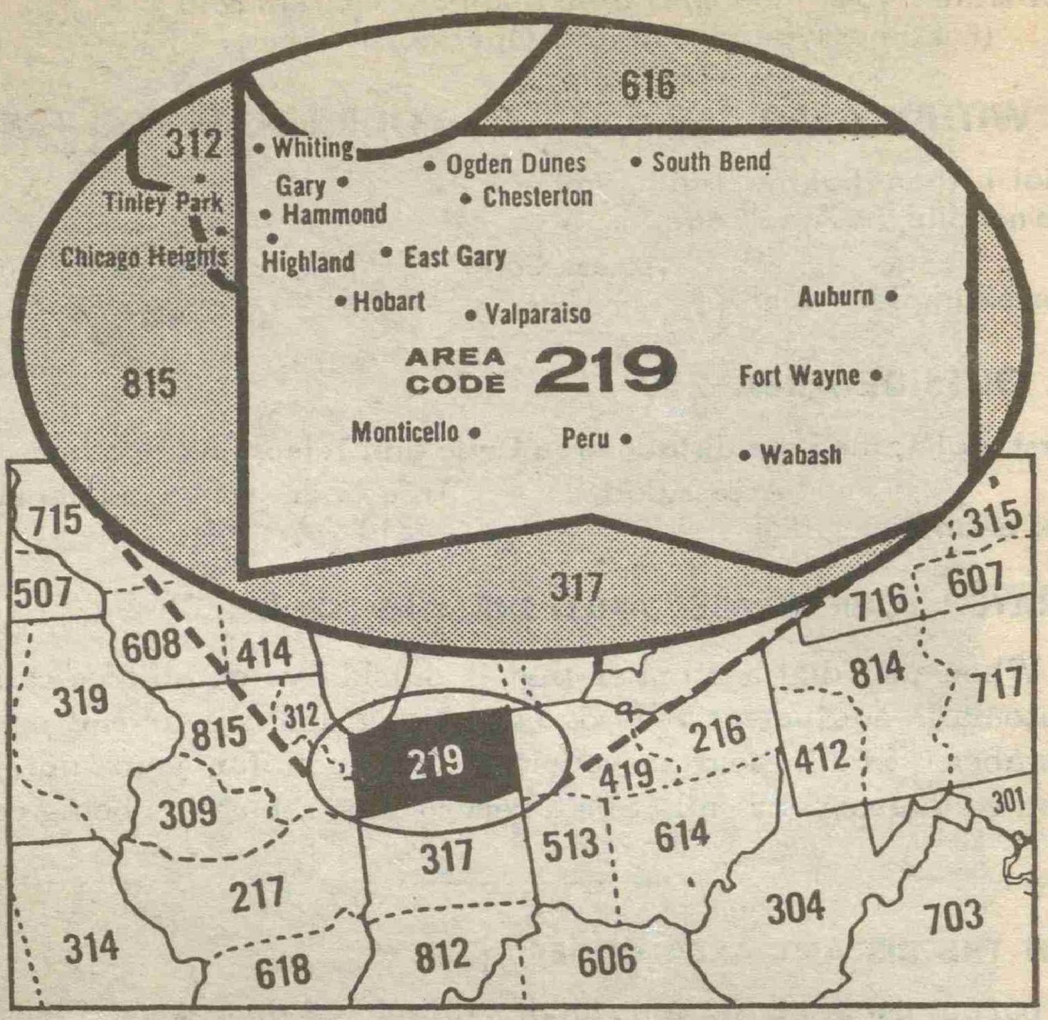
Dial Operator immediately and tell her what city and telephone number you reached so you will not be billed for the call.

YOU WILL NOT BE CHARGED

- If you hang up before you dial the complete telephone number.
- If the telephone you dial is busy or does not answer.
- If you call Information in a distant city for a telephone number.

IF YOU NEED ASSISTANCE, DIAL OPERATOR. She will be glad to help you.

Area Codes *Speed Your Long Distance Calls*



For faster long distance calling the United States and Canada are divided into more than 100 telephone areas, each identified by a three-digit Area Code. Indiana is divided into three numbering plan areas. **Your Area Code is 219** (see map).

Dial the Area Code when different from that of the telephone you are using. Do not dial the Area Code when it is the same.

Even on calls you must place with the Long Distance Operator, the Area Code will help you get them through faster. Just give her the Area Code (if it is different from the one for the phone you are using) and the telephone number you want. For example, say "Area Code 311, 555-2368."

A partial list of places that can be reached by Area Codes is shown on pages 5-6. If you want the Area Code for a place not listed, the Operator will be glad to provide it.

NOW, a new Long Distance feature

"AFTER NINE" ECONOMY SERVICE

Tonight and every night after 9 o'clock, you can make a three-minute station-to-station call to anywhere in the United States, except Alaska and Hawaii, for $1.00 or less, plus tax. These new "After Nine" Economy rates apply on all interstate station-to-station calls to points more than 220 miles away.

"After Nine" calls to Indianapolis and other Indiana points are a bargain, too. The initial talking period is six minutes (instead of three minutes) from 9 p.m. to 4:30 a.m.

These new "After Nine" rates make Long Distance calling a bigger bargain than ever. From the list below, you can see how little it costs nowadays to call Long Distance.

Why not phone friends or loved ones tonight? It's the next best thing to being there.

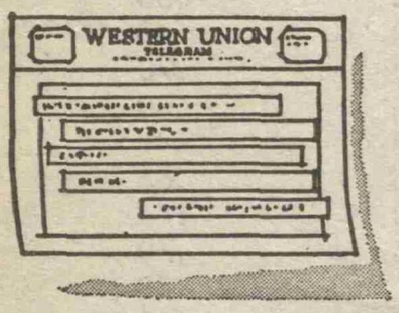
RECORDED TELEPHONE CONVERSATIONS

("Beep" tone)

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected.

Use of a recorder without this signal is contrary to Company tariffs and is not permitted.



TELEGRAMS BY TELEPHONE

You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph company and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company," ask to see his card.

A BUYERS' GUIDE, containing Classified Lists of Customers of Business Telephone Service of the Illinois Bell Telephone Company. Names are arranged in alphabetical order, under headings generally descriptive of the type of business or profession.

As an added service to users of this directory as well as to themselves, many business telephone customers have purchased additional directory representation consisting of listings, night telephone numbers, office hours, and advertising.

It's easy to find it fast in the *YELLOW PAGES*

WHEN YOU WANT TO BUY SOMETHING . . .
Look for the classification which describes the product or service desired. Then select the individual or concern with whom you wish to deal.

WHEN YOU ARE LOOKING FOR A TRADE MARKED PRODUCT OR SERVICE . . .
Turn to the appropriate classification and find the name of the product or service listed alphabetically within the column. Select your dealer from those listed under that brand name.

WHEN YOU'VE FORGOTTEN ALL OR PART OF A BUSINESS FIRM'S NAME . . .
Turn to the proper classification and you will find all the companies listed alphabetically by name. Then all you have to do is check those listed for the name or location you recognize.

Bursting with good news? Just reach for the phone!

Your telephone gives you so much... for so little cost.

Who can wait to spread this kind of wonderful news? And who has to wait, when there's a telephone within reach!

Just think—what would you ever do *without* your telephone?

Whether you have important news, or just want to have a friendly chat, your phone is always there to depend on, 24 hours a day.

Just think about all the different calls you make and receive every day—and how you'd feel without them.

For sharing good news... for dependable service ... your phone gives you so much—for so little cost.
